

JULY IN THE GREAT NORTH!

## JULY STATUS UPDATE

The Northwest Health Alliance (NWA) cNEO team has successfully completed 13 site visits with Health Service Providers (HSPs) in the North West.

Currently, the team is working with HSPs on the Privacy and Security Assessments. Sean Cloutier, the NWA Privacy and Security Analyst, has been in communication with many of the HSPs to assist them with completing these assessments. Three Privacy Assessments have already been completed and submitted.

The NWA has started to complete the cNEO Implementation Plan, and the Communications and Engagement Plan for Stage 2 of the cNEO project.
